III. How are other Counties doing their parcel maintenance? Are they contracting out? If they split the properties how do they keep track of the splits and what is their procedures. IV. What are other Counties doing in their communities with GIS? Are we reaching out to private businesses to help them, if sohow?	6/2/2016 4:37 PM

5	I found a lot of value in the learning lab.	6/2/2016 9:13 AM
6	Spatial statistics would be very interesting along with GWR.	6/2/2016 8:41 AM
7	More talks about analyzing data, and the process.	6/2/2016 8:37 AM
8	Another presentation by Laurie Spencer would be wonderful. I thoroughly enjoyed her Damage Assessment presentation and she is always very informative and a very good speaker.	6/2/2016 8:33 AM
9	More utility based presentations (Consumers Power, DTE, Semco, etc.) These are companies who use GIS in the state.	6/1/2016 3:38 PM
10	More advanced gis training sessions	6/1/2016 3:30 PM
11	I would like to see more sharing of workflows and best practices from other users. I would like more topics dealing with DBA issues.	6/1/2016 2:26 PM
12	I would like to see more information on asset management and arcview.	6/1/2016 2:21 PM
13	Editing in the fabric is going to be a continuing topic I would think.	6/1/2016 2:20 PM
14	Less expensive training	6/1/2016 2:14 PM
15	Less vendor driven sessions and more resources for cost effective GIS at the local level.	6/1/2016 2:13 PM
16	GPS Data Collection	6/1/2016 2:09 PM
17	Open Source GIS applications	6/1/2016 2:06 PM
18	more survey topics and value added of survey control	6/1/2016 2:03 PM
19	The Esri Hands On Learning Lab is a great way to practice what we have seen in demos. I hope Esri will continue to offer this service. I don't know if Esri offers options for the workshop topic, but the conference committee might want to send out a quick survey to determine which course people would most likely attend. Image analysis isn't something that people perform on a regular basis. How about managing imagery, or working with LiDAR data, or intro to ArcGIS Pro as possible topics?	5/27/2016 9:47 AM
20	Maybe having a social event that is not 75 people packed into a hotel room and drinking would be a good start.	5/26/2016 7:44 AM
21	more sessions about user experiences and less vendor sessions	5/25/2016 8:54 PM
22	Given that the attendees range widely in GIS interests and depth of experience I found flexibility of training (limited exposure) to be somewhat useful.	5/25/2016 8:31 PM

25	I moderated the CAMA standards, one year later session. Lots of discussion. Something similar might make a good panel discussion or longer session next year, something with lots of time for questions, comments, and discussion.	5/25/2016 7:54 AM

33	More about Web Mapping	5/24/2016 11:02 AM
34	The breakout sessions are great but it would be much more helpful to see the processes taken in GIS to complete some of the more complex projects. Analysis, models used, processes, data collection, etc.	5/24/2016 10:57 AM
35	Maybe "Back to Basics" sessions where presenters could talk about how they use "basic" GIS functions in their day to day operations that others may benefit from. examples: geometric networks (utilities), model builder, use of hyperlinks, advanced editing, geoprocessing, data driven pages.	5/24/2016 10:47 AM

38	It would be helpful to have an open discussion with ESRI staff about the LGIM, Parcel Fabric, etc. in the hope that our concerns with the products will be addressed.	5/24/2016 10:18 AM
39	It was good to have educational sponsors this year but I feel that including universities/colleges more and more will help drive participating in the SPPC, providing an avenue to new GIS professionals.	5/24/2016 10:14 AM
40	I'd like to see the same if not more involvement from the state with concerns of parcel management - that is, State Tax Commission (STC), as well. Would be nice to see something from the national-level GEOINT community, also!	5/24/2016 10:11 AM
41	We need to see more information on actual projects that include the good and "lessons learned".	5/24/2016 10:10 AM
42	The ESRI trainings, while cheaper than normal, are still expensive when paired with lodging, food, and conference registrations. Perhaps IMAGIN should look into a few short workshops that fit in the normal track listing and are part of the conference at no cost.	5/24/2016 10:09 AM
43	In depth and potentially hands on workshops that take a deep dive into some aspect of the GIS technology or process	5/24/2016 10:09 AM

1	I feel that having a dedicated exhibit area would have been better.	6/2/2016 10:41 AM
2	One thing that I see at other conferences is an event that requires attendees to visit the booths of each vendor to get a card or sheet signed, and then the card/sheet is returned and used as entry for a prize or giveaway.	6/1/2016 4:08 PM
3	additional vendors would be value added	6/1/2016 2:04 PM

1	I didn't like how the "winners" and "losers" were both up on the screen. The winners would have been sufficient. Also, if someone did a write in the person they wrote in for should be notified.	6/1/2016 3:43 PM

1	Stellar performance from my aspect, but I only was in the learning lab. What a smart and pleasant instructor. And patient too! I messed up a couple of laptops as technology and I do not mix. But since I'm the young one at my office, they think I'm tech savvy Sorry. Basically, I'm a newbie and this hands on lab was a phenomenal opportunity. I'd love another round next year too? Thank you very much for this event.	6/3/2016 5:47 PM
2	Great people! Great conference! but a different venue would be nice in Traverse City or somewhere else.	6/2/2016 4:56 PM
3	If planning at the same venue, it would be nice if the conference could be held in June, when the schools are closed. Since we anyway are getting waterpark passes, it a waste to not being able to use them.	6/2/2016 10:45 AM
4	I'm not a fan of oatmeal or cold boiled eggs for breakfast. Maybe add some fresh fruit, wider selection of pastries, or cold cereal options.	6/2/2016 9:19 AM
5	Great Conference!!	6/1/2016 10:50 PM
6	Nice to be back after several years of sending my staff and unable to attend. Good job on the conference I was really impressed by the food and also the lunch presentation for the 25th anniversary.	6/1/2016 3:43 PM
7	I enjoyed being in Traverse City but would have preferred a location with fewer small children running around.	6/1/2016 2:27 PM
8	I would prefer keynote speakers speaking on some aspect of GIS. Perhaps someone who has written a manual or who applied to give a presentation that could be expanded upon, or who does research on something. This years keynote did not excite me about the conference and made me question how important attending the conference was.	6/1/2016 2:16 PM
9	Loved the hosp suite & bus tours. Let's have IMAGIN at a different location. Great wolf is ok, but it could be much better at a non-child resort.	5/31/2016 11:51 AM
10	Although the food was very good, I feel the meal on Tuesday should have had a second option.	5/27/2016 1:36 PM
11	Years ago, we had round table discussions. Each table was labeled with a topic. This encouraged networking and people found common ground to build relationships. Perhaps we can find a way to bring those back at next years conference?	5/27/2016 9:47 AM
12	The combinations of elements of GIS to make complete "stories" was particularly intriguing!	5/25/2016 8:33 PM
13	Would like to keep the conference at Great Wolf Lodge, it's a great facility for the conference and being close to Traverse City amenities is perfect for "on your own" meals.	5/25/2016 10:50 AM
14	Make the keynotes shorter, they were too long. I wanted to still have some energy/attention left for the actual sessions.	5/25/2016 10:28 AM
15	I really liked the 45 min. sessions. Only a couple of mine ran short and all had time for questions. Great social events again this year. With the cold temperatures this year, having the hospitality room on Monday night (in addition to Sunday night) would have been good. Depending on when the conference is scheduled next year or if the venue changes or whatever, might want to look at having two nights of hospitality room.	5/25/2016 7:58 AM
16	Keep up the awesome work!	5/24/2016 2:39 PM
17	great job Conference Team!!	5/24/2016 1:46 PM
18	Great Euchre Tournament	5/24/2016 11:28 AM
19	Either provide vegetarian meals, or allow attendees to opt out of meals, (at a reduced cos) so that they may obtain diet appropriate meals elsewhere.	5/24/2016 11:09 AM
20	It was a great conference and I enjoyed the topics and speakers.	5/24/2016 10:57 AM
21	Monday mornings key note speaker was a nice change of pace.	5/24/2016 10:49 AM
22	If Great Wolf Lodge is to small for the membership, what about Grand Traverse Resort if you can get a good price.	5/24/2016 10:41 AM

#### IMAGIN 2016 Annual Conference - Post Conference Survey

23	Unfortunately, I was unable to attend the "accidental DBA" session on Tuesday morning as I had to check out of my room by 11. It would be helpful to have a break in the sessions after breakfast so that folks could check of their rooms on time and not miss anything.	5/24/2016 10:21 AM
24	IMAGIN needs to try to retain its amount of conference vendors and sponsors. However, I think there needs to be a little more time to visit vendors. There were vendors I hope to talk to, but didn't have time between tracks and the other open times.	5/24/2016 10:12 AM
25	Nopegood to golooking forward to next spring! See ya then!	5/24/2016 10:12 AM
26	I think that the conference went very well and I have no complaints.	5/24/2016 10:12 AM
27	Space is getting cramped so may need a new location. GWL is great especially for families but the conference space is not idea.	5/24/2016 10:11 AM

- Conference center is a separate building from sleeping rooms. Unless staying in condos (farther out), max possible walk for hotel guests would be 1 ½ blocks
- Not only group in house, may only have access to three breakout rooms.

- General session room will have to work around some pillars
- Will have to include dinner, closest town is Frankfort or Beulah
- Charge for meeting space

#### Haggerty Center (2018)

#### Pros:

- Very nice, modern facility
- Much of the AV is built in and available for use at a reasonable rate
- Will contact with a local hotel for overnight rooms so Traverse City activities are available

#### Cons:

- No sleeping rooms will have to contract with another facility. Holiday Inn is about a city block walk away
- Local Paily charge for use of all rooms, could be up to \$2,600 total
- Can only guarantee space for general session and one breakout room that will hold 35. Other breakout rooms cannot be confirmed until 6 months out and are not guaranteed. Depends on college's class offerings
- May not be able to do traditional evening social activities on site
