The screenshot shows a Windows Internet Explorer browser window. The title bar reads "Michigan Geographic Framework: Bay County - Windows Internet Explorer". The address bar contains the URL "http://www.mcgi.state.mi.us/mgdl/framework/metadata/Bay.html". The browser's menu bar includes "File", "Edit", "View", "Favorites", "Tools", and "Help". The Favorites bar shows a single entry: "Michigan Geographic Framework: Bay County". The main content area displays the heading "Michigan Geographic Framework: Bay County" in a large, bold, black serif font. Below the heading, it states "Metadata also available as - [\[SGML\]](#) - [\[XML\]](#)". Underneath, the word "Metadata:" is followed by a bulleted list of six blue, underlined links: "Identification Information", "Spatial Data Organization Information", "Spatial Reference Information", "Entity and Attribute Information", "Distribution Information", and "Metadata Reference Information". The browser's status bar at the bottom is empty.
