

# GIS for Everyone Award

The GIS for Everyone Award is presented to an organization that seeks to make GIS data or analysis accessible to other organizations and/or to the public. GIS organizations that strive to disseminate and share data make spatial data available to everyone

IMAGIN's 22<sup>nd</sup> Annual Conference  
Making the Connection

# GIS for Everyone Award – The Winner Is:

The City of Holland, MI  
Citizen Request Management  
Matt VanDyken, Technology  
Services Coordinator

The City of Holland Citizen Request Management application allows Holland City residents to submit reports of issues around the City using the City website or from their smart phone by downloading an app (City of Holland Mobile) from either the Google Play Store or the Apple App Store.
