

# GIS for Everyone Award

The GIS for Everyone Award is presented to an organization that seeks to make GIS data or analysis accessible to other organizations and/or to the public. GIS organizations that strive to disseminate and share data make spatial data available to everyone

IMAGIN's 25th Annual Conference  
25 Years of Mapping the Mitten  
May 15 - 17, 2016 - Great Wolf Lodge

# GIS for Everyone Award – The Winner

Dr. Claudia Walters  
GAM Lab Manager and  
Assistant Research  
Scientist

Geospatial Analysis  
and Mapping Lab  
University of Michigan - Dearborn

## GISday

GIS day will provide students, faculty, staff, and the community with the opportunity to explore, share and learn about the application of **geographic information systems (GIS)** to problems that affect the environment and community. Presentations and exhibits will showcase the use of GIS in community development, public safety, health, environmental science, and others.
